OUR PRODUCTS

Crude China Clay

Levigated China Clay

Noodles China Clay

Hydrous Kaolin Powder

Refractory Clay

Calcined Kaolin Powder

Blended Clay

Silica Quartz Powder

Silica Sand

INDUSTRIES WE SERVE

Ceramics & Sanitaryware

High-plasticity wash clays & quartz powder for vitrified bodies and premium sanitary glazes.

Tile Manufacturers

Bulk delivery of Crude and Blended Clays optimal for large-scale floor and wall tile production.

Glass Manufacturers

High-purity Silica Sand and Quartz powder featuring ultra-low iron oxide parameters.

Paint & Coatings

Calcined and Hydrous Kaolin clays providing excellent brightness, gloss control, and opacity extenders.

Paper Mills

High-purity washed kaolin used as key mineral fillers and surface gloss coating agents.

Rubber & Plastics

Extremely fine kaolin fillers for enhancing tensile strength, stiffness, and electrical resistance.

Foundries

Uniformly graded Silica Sand with high thermal resistance for metal casting and molding.

Construction Chemicals

Sized quartz grains and silica inputs for mortars, tile adhesives, grouts, and sealants.

Water Filtration

Carefully screened, high-silica sand for municipal and industrial water treatment filtration beds.
